Police Vehicle Rehabilitation: Following review of the two bids for rehabilitation of the police vehicle at the council meeting of September 28, continued on September 30, it was determined by conversation with Police Chief Zehnder that the work proposed to be performed by St. Mary Body Shop was more extensive than the work proposed by Weichert Motors. Having made that clarification, each bid having been given for the amount of \$1,670, the car was taken to St. Mary Auto Body for rehabilitation. The Council is requested at this time to make a motion ratifying that action based upon the more extensive work to be done for the same bid price of \$1,670.
